

## Colorado HB 19-1131 Product Disclosure Details For Colorado Prescribers

The following product pricing and competitor information is being disclosed as prescribed by Colorado HB 19-1131. The notice below provides the Wholesale Acquisition Cost (“WAC”) and the names of generic prescription drugs available in the same therapeutic class as Albireo Pharma Inc.’s products based on the products’ labeled indications.

The prices listed below are WAC prices as published by First Databank, Inc. WAC prices are representative of the price paid by wholesalers but the actual price paid by consumers may differ significantly from the WAC prices listed below. Further, the WAC prices listed here do not necessarily reflect price per dosage, price per course of treatment or the cost effectiveness, of all the products listed.

This list does not imply that the products on this chart are interchangeable or have the same efficacy or safety. Please see full prescribing information for Bylvay® (odevixibat) (<https://www.bylvay.com/pdf/Bylvay-PI-w-IFU-final-dated-July-2021.pdf>).
